Magus Drie

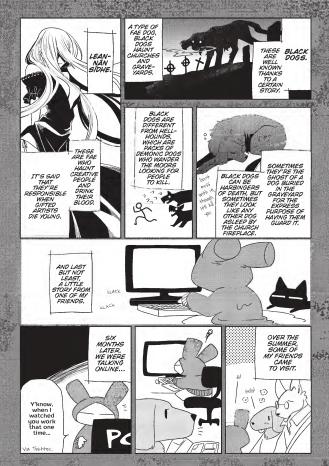

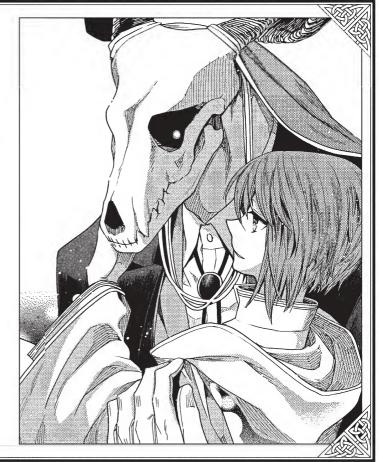

"Echos," the mage Lindel, tells Chise of days long ago-and of fragments of Elias' past.

Summoned by Lindel, Chise returns to the dragons' aerie and sees the giant tree now standing where an old dragon once lay.
Climbing its branches to find wood for her wand, Chise's thoughts begin to wander.
And later that evening, Lindel begins to tell her a story about mages, and of days long past...

READING DIRECTIONS

This book reads from *right to left*. Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

An Ancient Evil

Chise has come face to face with the person responsible for the brutal killings at a nearby churchyard—and to her shock, it's someone she recognizes from her visions of the tragedy at Ulthar! Appalled by the realization that the alchemist who wrought such horrors is still up to his old tricks, Chise must act to stop him. But in order to control her dangerous powers as a sleigh beggy, she'll need all the help she can get.
